

Early Literacy *Begins* With You.

Learn how to help your child get ready to read with simple activities every day.

Talking

Talking with children is one of the best ways to help them learn new words and information.

Singing

Songs are a natural way for children to learn about language.

Reading

Reading together is the single most important way to help children get ready to read.

Writing

Writing and reading go together. Scribbling and writing help children learn that written words stand for spoken language.

Playing

Playing helps children put thoughts into words and think symbolically so they understand that spoken and written words can stand for real objects and experiences.
