

What is

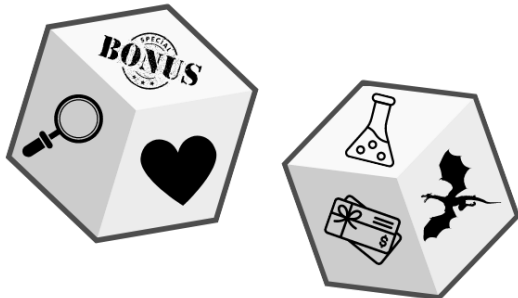

Summer Readzee?

Summer Readzee is a reading game for players ages 18 and older.

Roll the dice to get your reading task! You'll be reading a book that corresponds with the genre represented on the most dice.

Every book you read earns you an entry into a drawing for big prizes. You'll also have opportunities to pick up gift cards to local businesses as you play.

Play as much or as little as you like over the course of the summer and enjoy adding some gaming fun to your reading!

Important Dates

Game begins: Saturday, **June 3**, 10 am

Game ends: Saturday, **August 12**, 5 pm

Prize drawing & notification of winners:
Monday, August 14, 4 pm

Basic Instructions

- Sign up by filling out a record sheet at the Summer Reading station.
- Each time you play, you will automatically get to roll the dice one time. Each dice will have symbols that correspond with a certain genre or a special feature, like a free read or gift card.
- You will roll five dice at once. You will be tasked with reading a book that corresponds with the genre represented on the most dice. If you wish to complete the task, retrieve the corresponding paper task card from the staff member at the Summer Reading station. If you do not wish to complete the task, you don't have to, but your turn will be over for the day.
- Complete the reading task provided on the task card. (Note: you must read a different book for each task. Any books used to satisfy game requirements must be read entirely after the official start date of the game. Unless otherwise noted, each book read must be at least 200 pages.)
- Return your completed task card(s) to the Summer Reading station.
- Each completed reading task earns you one point, and each point is good for one entry in a prize drawing. Once your task card, which is also your point, has been hole-punched by the Summer Reading station staff member, place it in the prize box of your choice.

Rolls & Tasks

- There are six sides to each of the five dice. Most of them contain reading tasks, and some are special sides that trigger awards or bonuses for the player.
- If two genres have the same number of symbols showing, you may choose either of the two genres for your task.
- If no genre has more than one symbol showing, you may choose any of the genres showing to use for your task.
- In the event that no genre symbols show on any of the five dice, you will roll again until a roll results in at least one genre showing.

- When matching genre symbols are rolled, it serves to multiply the number of points the player receives for completing their task:
1 symbol (no matches) – 1 point
2 matching symbols – 2 points
3 matching symbols – 3 points
4 matching symbols – 4 points and a gift card
5 matching symbols – Readzee! 10 points for your task, big (\$25) gift card, play bonus game (see below for details)
Note: Multipliers do not apply to non-task cards.

- One face on each of the five dice features a special symbol as described below:
– *Gift Card/Coupon*: you will receive a gift card or coupon. Even if multiple gift card symbols are rolled, you will only receive one gift card.
– *Super Multiplier* – you will receive 5 total points for your reading task for the day. If you roll two Super Multipliers, you will receive 10 points for your task. Super multipliers multiply common multipliers (e.g., if you roll three of the same genre symbol (earning you a common multiplier of three) and a super multiplier, you will receive 15 points for your task).
– *Bonus Game* – you will get to play the mini dice rolling bonus game (see below for details).
– *Roll Again* – you will get an additional roll of the dice and will receive two reading tasks for the day, along with all other perks that may result from the second roll.

Free Reads

- A Free Read symbol appears on each of the five dice. You must roll at least two Free Read symbols to be allowed to select free read as your task. Unlike with other genre symbols, you may select Free Read as your task even if another genre has more genre symbols showing. As with genre symbols, rolling multiple Free Read symbols results in multipliers.

Bonus Game

- When you roll a Bonus Game symbol or roll a Readzee, you will get to play the bonus game. To play, you will roll five miniature dice. You will earn bonus points equivalent to the sum of all showing dice faces.

- You also get to play the Bonus Game after every fifth reading task you complete.

Readzee

- Rolling five matching symbols of any kind results in a Readzee, which triggers a bonanza of good things! You will earn a Free Read with a x10 multiplier, a big (\$25) gift card, and the opportunity to play the Bonus Game.

Gift Cards

- After reading three books, you'll earn a small gift card or coupon to a local business.
- Each week, we'll randomly select five participants who have completed a book that week to receive a gift card or coupon.

Points & Prizes

- The object of the game is to accumulate as many points as possible. Points are attained by completing reading tasks and earning bonus points from playing the Bonus Game.
- Each point equates to one entry in a prize box of your choice. You may place all of your points in one prize box, or you may split them among multiple prize boxes as desired.
- At the end of the game period, a prize drawing will be held. If your name is drawn from a prize box, you win that prize. You may not win more than one of the prizes.

The prizes are:

- Kindle Fire tablet
- Amazon gift card (\$50)
- Benbrook Nail Salon gift card (\$50)
- Paisano's gift card (\$50)
- Ace Hardware gift card (\$50)
- 3 Parrots Taco Shop gift card (\$50)
- Caliber Car Wash gift card (\$50)
- Payne's Florist gift card (\$50)

**Prizes are subject to change*
